Dear Member ,

I am writing to let you know that it's that time of year where we charge our annual service fee, which will be taken on or around the 24th June 2022; however this year there will be a slight change.

If you attended our Annual General Meeting, you will be aware that our members have voted to increase the annual membership fee to £2.75. This is a fantastic development for Northumberland Community Bank as all of the fees that our members pay go straight back into the business to help us support other members and our community.

We do try to avoid charging fees where possible, so unlike many credit unions and community banks, our online services, account transactions and loan applications remain free for all of our members.

I would like to take this opportunity to thank you for your continued support.

Kind regards,

Mark l'Anson
Chair
